Professional Custom Electric Bike Builds and Upgrades

**\*\*\* Portfolio of Custom Builds \*\*\***

A customer's Specialized Roll Sport bike upgraded to electric assist with optional rack, bag, fenders, grips seat and more. Upgraded with a 1 hp, 750 watt nearly silent motor mid-mounted (standard on all builds). Battery discretely located behind seat.

The Powered Pedaler LLC, 1205 Hoover St, Janesville WI 53545, (608) 572-8929, [Doug@PoweredPedaler.com](mailto:Doug@PoweredPedaler.com)
